## EXERCISE ON SUNDAY.

Division of Sentiment in the Athletie Club.

### SOME WANT THE GYMNASIUM OPEN

On Sunday Afternoons, but the Majority of the Club is in Favor of Keeping It Shut.

There is some little difference in the Topeka Athletic club over the subject of Sunday opening. When the club was first formed the directors made a provision that the gymnasium should not be accessible on Sunday. Some of the young men of the club who prided themselves on being "liberal" in their ideas now want access to the boxing gloves and other paraphernalia on Sunday. To this end they have framed a petition setting forth that the Topeka Athletic club is not a Y. M. C. A. gymnasium, and that they are deprived of their rights by the Sabatarians. This petition is addressed to the board of directors who have authority to act in the case. Those who backed the petition thought it would "ask" like wildcats, but it has been in circulation for several days and has only twenty-three subscribers, of which four have been scratched off after being placed there. The sentiment of the club is against Sunday opening.

Among the signers are: H. E. Lyman, J. C. Madicot, R. D. Hobart, L. E. Wagner, W. D. Struble, U. F. Klingemann, H. W. Dalby, T. Specht and J. M. Padgett. Several of these young men are among Topeka's semi-professional boxers and wrestlers. The other members are more conservative. There is no ill feeling in the matter, and the Sunday-openers do not contemplate seceding if they don't get their way.

The directors to whom the petition is referred are: W. F. Scott, president; D. C. Tillotson, vice-president; W. V. P. Belchertbach, secretary; D. J. Greenwald, treasurer; Dr. F. W. Bailey, M. D. Remington, J. R. Hibben, C. T. McCabe and H. L. Shifer.

### AN EVENT OF NOTE

Charles M. Sheldon's Sermons on Christian Socialism Began Sunday Night.

Rev. Charles M. Sheldon, pastor of the Central Congregational church, will preach four sermons on "Christian Socialism," beginning Sunday evening.

The subjects of the addresses are as follows:

March 4.—The Value of a Human Being; March 11.—The Place of Christ in the Life of the World; March 18.—The Christian Key to the Social Problem; March 25.—Applied Christianity.

Mr. Sheldon invites to these addresses the labor organizations of the city, the workingmen in all departments of labor, the unemployed, the press representatives, the political organizations, and all persons interested in the social problems of the times. He will welcome correspondence on the subjects discussed, and as far as possible will reply in public to written questions sent in the week before each address.

### TO BRING PEOPLE HERE.

A Company Interested in Starting Eastern Immigration Housewives.

A big project for bringing emigration to Kansas as its former time is in full. An organization to be called the Kansas Land and Emigration Company is to be formed, with an agent in every county in the state.

Its purpose will be to bring people to Kansas to purchase out-of-pocket property and settle here. Literature will be printed, agents sent out, and excursion rates secured for emigrants who want to come west to look at the country.

Mr. C. H. Edgerton, of Phillipsburg, Kan., is the father of the project. He has secured the services of many of Topeka's leading citizens and tonight a meeting will be held at the Copeland hotel, at which the plans will be dilated on, and on Friday another meeting will be held to further the organization. It promises much for Kansas if properly carried on.
